- 2.5.5. Certain legislation, including the *Competition and Consumer Act 2010* (Cth), may imply warranties, conditions, guarantees or impose obligations which cannot be excluded, restricted or modified except to a limited extent. 2.10.2. If a provision of these T&C is invalid, in whole or in part, the validity of the remaining provisions shall remain unaffected.

3. **Conditions of Sales via the Porsche Connect Store**

3.1. **General**

3.1.1. On the Marketplace, Porsche Cars Australia provides the Customers with access to the Porsche Connect Store (hereafter referred to as **Porsche Connect Store**) in which Porsche Cars Australia provides (i) vehicle related and vehicle independent services (hereafter referred to as Porsche Connect Services) and (ii) possible further products and services (hereafter referred to as **PCA Products**).

3.1.2. In addition to the foregoing provisions, this Clause 3 applies to the use of the Porsche Connect Store, the booking and use of Porsche Connect Services as well as the purchase and possible use of PCA Products by a Customer of Porsche Cars Australia (hereafter referred to as **PCA Customer**). PCA Customer may be a Primary User, a Secondary User or a General User, as defined under Clause 3.2. Porsche Cars Australia offers a selection of different services and products and additional conditions, such as terms of use, may apply to the provision of these services and products.

3.2. **Primary and Secondary Users, General Users**

3.2.1. **Primary User** in relation to a connectable vehicle (that is a Porsche with which Porsche Connect Services may be used) is the PCA Customer who is (a) the owner, (b) the keeper of the vehicle and/or (c) a member of a user group which is explicitly permitted by Porsche Cars Australia as Primary User (in particular lessees or employees which are provided with a company car). Each connectable vehicle may only have one Primary User. A Primary User is entitled to the complete scope of functions available on the My Porsche Portal, the Porsche Connect Store and the booked Porsche Connect Services. In particular, the booking and configuration of vehicle related and vehicle independent Porsche Connect Services and PCA Products is available to Primary Users.

3.2.2. **Secondary User** in relation to a connectable vehicle is a PCA Customer, who is not a Primary User but who is authorized as Secondary User by the Primary User and who has concluded a Porsche ID-Contract. The scope of functions of the My Porsche Portal, the Porsche Connect Store and the booked Porsche Connect Services available to a Secondary User depends on the scope of rights granted by the Primary User

and/or the system to the Secondary User. In particular, the booking of vehicle related services is not available to Secondary Users, the configuration of vehicle related services is subject to the rights granted by the Primary User, and the booking and configuration of vehicle independent Porsche Connect Services and PCA Products is generally available to Secondary Users.

3.2.3. **General User** is a PCA Customer who is neither Primary nor Secondary User in relation to at least one connectable vehicle. A General User is entitled to a limited scope of functions available on the Porsche Connect Store with limited scope of functions is provided to a General User. In particular the booking and configuration of vehicle related Porsche Connect Services is not available, while the booking and configuration of vehicle independent Porsche Connect Services and PCA Products is available.

3.3. **Conclusion of Contract**

3.3.1. The presentation of Porsche Connect Services and PCA Products in the Porsche Connect Store do not constitute binding offers by Porsche Cars Australia to enter into a sales contract, but merely invite the PCA Customer to make a binding declaration as to whether and which goods it wants to order from Porsche Cars Australia (invitatio ad offerendum). The PCA Customer may choose Porsche Connect Services or PCA Products from the product range in the Porsche Connect Store and collect them in a so-called shopping cart via e.g. the button "Add to Basket". Before clicking the button "Order with Obligation to Pay" (or similar), all Porsche Connect Services or PCA Products selected by the PCA Customer, the total price for the relevant products and/or services, including any amount of statutory GST payable as well as duties, charges and shipping costs, are again displayed in an order overview provided to the PCA Customer for review. At that stage, the PCA Customer will have the opportunity to identify and correct any incorrect entries before finally placing the binding order. Before placing the binding order, the contractual provisions including these T&C can be accessed once again and saved in reproducible form by the PCA Customer. By clicking the button "Order with Obligation to Pay" (or similar), the PCA Customer submits a binding offer for the conclusion of a sales contract in respect of the relevant Porsche Connect Services or PCA Products collected in the cart. The offer will only be submitted and transferred if the PCA Customer accepts, and thereby includes in its offer, these T&C by clicking a corresponding button.

3.3.2. Porsche Cars Australia shall confirm receipt of the PCA Customer's order by e-mail. However, such confirmation of receipt does not constitute a legally binding acceptance of the PCA Customer's order.

3.3.3. The contract shall only become effective once Porsche Cars Australia has accepted the PCA Customer's offer. Porsche Cars Australia will accept an order expressly by way of a declaration in text form, e.g. by sending a written order confirmation by e-mail, by providing the Porsche Connect Services or by Porsche Cars Australia handing over the PCA Products for dispatch and informing the PCA Customer accordingly. The sales contract shall be governed exclusively by the contents of the order acceptance and these T&C. Verbal agreements or promises shall only be valid if an authorized employee of Porsche Cars Australia has confirmed them in writing.

3.3.4. If the Porsche Connect Services ordered by the PCA Customer cannot be delivered, e.g. because the corresponding goods are

- not in stock, or the Porsche Connect Services cannot be provided, Porsche Cars Australia may reject or refrain from accepting the order. In this case, no contract will be concluded. Porsche Cars Australia shall inform the PCA Customer thereof without undue delay.
- 3.3.5. The contract terms will be saved and stored after the contract has been concluded, but are no longer accessible to the PCA Customer. The PCA Customer will, however, be provided with any and all contractual provisions and these T&C (by e-mail or letter).
- 3.4. **Booking of Porsche Connect Services**
- 3.4.1. Individual or several Porsche Connect Services may separately be booked in the Porsche Connect Store in accordance with these T&C and any further applicable terms of use. Insofar as a provision of these T&C conflicts with any relevant further terms of use, the further terms of use shall prevail.
- 3.4.2. Availability, description, term, prices and payment terms of the Porsche Connect Services are detailed in the Porsche Connect Store and may be specified in any further applicable terms of use. The availability of vehicle related Porsche Connect Services depends on the equipment of the respective vehicle.
- 3.4.3. Vehicle related Porsche Connect Services may only be booked by a Primary User for a connectable vehicle for which a respective Vehicle Link exists in the My Porsche Portal (see Clause 3.4.4). They are vehicle-bound and may not be transferred to another connectable vehicle or be used in another connectable vehicle. This also applies if the Primary User of the respective connectable vehicle is also a Primary User of another connectable vehicle at the same time.
- 3.4.4. PCA Customer may view on the My Porsche Portal whether, and if so which, vehicles are linked with its Porsche ID-Contract (hereafter referred to as Vehicle Link) and for which Vehicle Link they are defined as Primary User or Secondary User. If a respective Vehicle Link is not displayed to a Primary User on the My Porsche Portal, the Primary User may request set-up of the relevant Vehicle Link on the My Porsche Portal or through a Porsche Centre. Porsche Cars Australia may specify that the set-up of the respective Vehicle Link is subject to the provision of appropriate proof and, in case of a used vehicle, subject to the deletion of the relevant Vehicle Link by the previous Primary User according to Clause 3.6.1(i).
- 3.5. **Sales of PCA Products**
- 3.5.1. Individual or several PCA Products may be separately purchased in the Porsche Connect Store in accordance with these T&C and any further applicable terms of use. Insofar as a provision of these T&C conflicts with any relevant further terms of use, the further terms of use shall prevail.
- 3.5.2. Availability, description, (as the case may be) term, purchase price, payment and delivery terms of the PCA Product are detailed in the Porsche Connect Store and may be specified in the further terms of use.
- 3.5.3. Please note that the purchase of PCA Products may be subject to other and farther-reaching conditions. Insofar as this is the case, We will expressly indicate this prior to the purchase.
- 3.6. **Sale and/or permanent transfer of the vehicle**
- 3.6.1. In case of sale or permanent transfer of a connectable vehicle to a third party (hereafter referred to as **Used-Car Purchaser**), the Primary User must: (i) delete the respective Vehicle Link on the My Porsche Portal; and (ii) inform the Used-Car Purchaser of any existing Porsche Connect Services for the respective connectable vehicle.
- 3.6.2. In case of sale or permanent transfer of a connectable vehicle, the Primary User - in addition to its termination rights of the Porsche ID-Contract pursuant to Clause 2.2.2 - may terminate all Porsche Connect Services concerning the relevant vehicle on written notice at least 2 weeks prior to the end of the calendar month. Insofar as a Porsche Connect Service is terminated before the end of its term pursuant to sentence 1 of this Clause, there will be no reimbursement (not even proportionally) of any payment already made. The Used-Car Purchaser may, however, make use of the remaining term of the service if it concludes a Porsche ID-Contract and books the respective Porsche Connect Service. The Primary User is free to make an arrangement with the Used-Car Purchaser with respect to a possible compensation in the amount of the remaining value of the Porsche Connect Services.
- 3.7. **Term and Termination of the Porsche Connect Services**
- 3.7.1. The PCA Customer (with regard to a vehicle independent service) or the Primary User (with regard to a vehicle-related service) and Porsche Cars Australia may terminate any free of charge Porsche Connect Service without an agreed minimum term (that is a Porsche Connect Service for which no minimum term is agreed; see Clause 3.7.2) on written notice at least 2 weeks prior to the end of the calendar month.
- 3.7.2. The PCA Customer (with regard to a vehicle independent service) or the Primary User (with regard to a vehicle-related service) and Porsche Cars Australia may terminate a fixed-term Porsche Connect Service (that is a Porsche Connect Service for which a fixed term, with an automatic extension of such term, is agreed) on written notice at least 2 weeks prior to the end of the fixed-term, where the term would otherwise be automatically extended. The terms of use for the respective Porsche Connect Service may provide alternative termination rights.
- 3.7.3. In case of a termination of the Porsche ID-Contract pursuant to Clause 2.2, the Porsche Connect Services will in any case be provided to the PCA Customer subject to the applicable Clauses of these T&C until expiry of the term of the relevant Porsche Connect Services or their termination pursuant to Clause 3.7.1 to 3.7.2.
- 3.7.4. Termination pursuant to Clause 3.6.2 as well as Clause 3.7.1 to 3.7.2 will be effective on notice to the other party in writing, via email or via the Porsche Connect Store via the function "Terminate Automatic Prolongation".
- 3.7.5. A right of termination for cause remains unaffected by the aforementioned provisions.
- 3.8. **Rights in case of Defects**
The statutory provisions regarding PCA Customer's rights in case of defects apply.
- 3.9. **Porsche Cars Australia's Liability for Sales via the Porsche Connect Store**
- 3.9.1. To the full extent permitted by law and subject to Clauses 3.9.2 and 3.9.4, Porsche Cars Australia's total cumulative liability to PCA Customer for any and all claims, whether in contract, tort (including negligence), statute or otherwise, arising out of or in connection with these T&C will not exceed the fees actually paid by PCA Customer to Porsche Cars Australia in the twelve (12) month period immediately preceding the first event giving rise to liability hereunder (or, in the case of multiple events, the earliest date liability arose).
- 3.9.2. To the full extent permitted by law and subject to Clause 3.9.4, Porsche Cars Australia, its directors, officers, employees or agents will not be liable for any special, indirect, incidental,

- punitive, exemplary or consequential loss; any loss of revenue; loss of profits; loss of data; loss of goodwill, lost opportunity or for any loss of or interruption to PCA Customer's business.
- 3.9.3. To the full extent permitted by law and subject to Clause 3.9.4, all warranties, conditions, guarantees, terms, representations and undertakings, other than as expressly set out in these T&C, whether express, implied or verbal, statutory or otherwise, and whether arising under these T&C or otherwise, are hereby excluded including, without limitation, the implied warranties of merchantability, non-infringement and fitness for a particular purpose.
- 3.9.4. Certain legislation, including the *Competition and Consumer Act 2010* (Cth), may imply warranties, conditions, guarantees or impose obligations which cannot be excluded, restricted or modified except to a limited extent. These T&C must be read subject to those statutory provisions. If those statutory provisions apply, notwithstanding any other provision of these T&C, to the extent to which it is entitled to do so, Porsche Cars Australia limits its liability in respect of any claim under those provisions to, at its option:
- (i) in the case of goods, the replacement or repair of the goods, or the supply of equivalent goods or the payment of the cost of replacing or repairing the goods or of acquiring equivalent goods; and
 - (ii) in the case of services, the supply of the services again or the payment of the cost of having the services supplied again.
- 3.9.5. The limitations of liability as set out above shall not apply to damages caused intentionally or by gross negligence, culpably caused personal injuries nor to any liability under the Australian Consumer Law and in case of any further mandatory liability.
- 3.9.6. The PCA Customer shall take all reasonable measures necessary to avert and reduce damages.
- 3.10. **Data protection**
- 3.10.1 The Customer is obliged to inform drivers of a vehicle for which a Vehicle Link exists on the privacy policy of Porsche Connect and the possibility of the collection, use and disclosure of their personal data during the use of Porsche Connect Services for the purposes and to the recipients described in these T&C and the Privacy Policy.
- 3.10.2 Further information, including contact details for PCA's Privacy Officer, can be found in that Privacy Policy.
- 3.10.3 Further, PCA and various third parties may be able to track and monitor the vehicle's location using the SIM and/or GPS functionality (where available on the vehicle). Unless otherwise stated, this tracking will start immediately and will be continuous and ongoing.
- 3.10.4 You consent to this tracking and warrant and must ensure that all drivers or users of the vehicle are aware of this location tracking and consent to it also. We rely on this consent for the purposes of provision of the services to you and any other driver or user of the vehicle.
