for the use of My Porsche and Porsche's Online Marketplace Functionalities (incl. the Porsche Connect Store) as well as the sale of Porsche Connect Services and Porsche Products (hereafter referred to as **T&C**)

1. Scope and Definitions

1.1. Porsche Japan KK, located at 29F Toranomon Hills Mori Tower, 23-1, Toranomon 1 cho-me, Minato-ku, Tokyo 105-6329 (hereafter referred to as **Porsche Japan, PJKK** or **We**) operates under www.porsche.com/japan/jp/.

- (i) the My Porsche (hereafter referred to as **My Porsche**) and
- (ii) various online marketplace functionalities (hereafter referred to as **Marketplace**) for the (i) sale of Porsche vehicles, parts, equipment and other vehicle related and vehicle independent products (hereafter referred to as **Products**) and (ii) provision of vehicle related and vehicle independent services (hereafter referred to as **Services**).

1.2. User of the My Porsche and the Marketplace may be, as defined below, (i) Customers and (ii) Sellers.

1.3. Customer may be a (i) consumer pursuant to Sec. 2 (1) of the Japanese Consumer Contract Act (*Syohisya*, "**Consumer**") or (ii) merchant or a legal person under Japanese laws, who purchases Products and/or Services.

1.4. Seller may be

- (i) Porsche Japan or
- (ii) a third party seller (including other Porsche entities) (hereafter referred to as **Third Party Seller**), who provides Customers with their own Marketplace store, under which they provide and sell Products and/or Services.

1.5. These T&C apply for

- (i) the use of the My Porsche and the Marketplace pursuant to No. 2 by Customer, and
- (ii) sales via the Porsche Connect Store pursuant to No. 3. These T&C shall also apply to all future transactions with Customer. The application of Customer's conflicting, deviating or supplementary terms and conditions shall be excluded, even if Porsche Japan does not expressly object to such terms and conditions.

2. Conditions of Use of the My Porsche and the Marketplace for Customers

2.1. Porsche ID-Contract for the Use of the My Porsche

2.1.1. In order to use the My Porsche the conclusion of a Porsche ID-Contract entered into between Customer and Porsche Japan is necessary. The Porsche ID-Contract is concluded (a) in connection with the vehicle purchase by incorporating these T&C into the separate vehicle purchase agreement, (b) by acceptance through registration on the My Porsche or (c) by acceptance at the time of booking one or several Porsche Connect Services in the Porsche Connect Store as specified under No. 3 as a framework agreement for the provision, use and booking of Products or Services.

2.1.2. The Porsche ID-Contract alone (that means without any purchasing of any Products or Services) does not impose any purchase obligation and/or payment obligation on Customer.

2.1.3. The content of the Porsche ID-Contract is determined by these T&C, in each case in their most recent version at the time of the conclusion of the respective Porsche ID-Contract. Porsche Japan may amend these T&C for legitimate reasons, in particular for legal, regulatory or security reasons. If Porsche Japan amends these T&C after the conclusion of a Porsche ID-Contract, the changes will be valid as of notification to Customer.

2.1.4. Customer is obliged (i) to provide accurate and truthful information about his/her person at the time of registration on the My Porsche and (ii) in case of respective changes to correct without undue delay the information on the My Porsche insofar such information are mandatory for the performance of the Porsche ID-Contract. Such mandatory information are marked as such when requested on the My Porsche or on the Marketplace.

2.2. Transfer and Termination of Porsche ID-Contract

2.2.1. A Porsche ID-Contract existing with a Customer may not be transferred to a third party without Porsche Japan's approval.

2.2.2. Customer and Porsche Japan may terminate the Porsche ID-Contract as a whole at any time. Porsche Japan is in particular entitled to exclude individual Customer from the My Porsche and the Marketplace. The termination of the Porsche ID-Contract shall not affect any already concluded individual sale contracts for Products or Services between Customer and Seller. The termination of the Porsche ID-Contracts takes effect (i) in case the Customer has purchased any fixed-term Product or any fixed-term Service upon expiration of the remaining fixed-term or otherwise (ii) immediately.

2.2.3. The termination may be made in writing, via email or via the My Porsche via the function "*Delete Account*".

2.2.4. A right of termination for cause remains unaffected by the aforementioned provisions.

2.3. Use of the Marketplace by Customers

2.3.1. Customers with a Porsche ID-Contract may use the Marketplace. Customers without a Porsche ID-Contract may also use the Marketplace via the function "*Ordering as Guest*" (to the extent available).

2.3.2. Customer may not use Products or Services for illegal purposes and Customer will not permit that third parties will do so. Customer is not entitled to process the data and information received during the use

of the Marketplace for business purposes or to disclose such data and information to any third party for business purposes.

2.4. Porsche Japan's Role and Performance of Contracts concluded on Marketplace

- 2.4.1. Porsche Japan is the operator of the Marketplace. Porsche Japan and Third Party Seller may sell Products and/or provide Services on the Marketplace. The Seller is indicated on the respective product detail page.
- 2.4.2. Porsche Japan functions as mediator for transactions concluded between Customers and Third Party Seller for the sale of Products or Services. Any such contract is solely concluded between Customer and Third Party Seller. Porsche Japan in particular does not act as a representative of any User, in particular of any Third Party Seller. Customer shall refrain from doing anything to create a false impression that it is endorsed by, partnering with, or acting on behalf of or for the benefit of Porsche Japan. In particular, Porsche Japan shall not be responsible and/or held liable for any contracts entered into between Customer and Third Party Seller. Porsche Japan does not control nor verify the information which Third Party Seller or any Customer provide. For contracts entered into between Customer and Third Party Seller further terms may apply, such as terms of use or terms of sale, which are indicated on the respective product detail page.
- 2.4.3. In case of an order by Customer, Porsche Japan shall notify the Third Party Seller and provide it with the transaction data (e.g. Customer's name) required for the conclusion and performance of the contract.
- 2.4.4. In case of any disputes arising from a contract for Products or Services, Seller and Customer must directly cooperate together to find a solution.

2.5. Porsche Japan's Liability for the use of the Marketplace and the Porsche ID-Contract

- 2.5.1. Porsche Japan accepts no liability for the accuracy and actuality of data and information provided by Customer and Third Party Seller.
- 2.5.2. In case of violations of these T&C, only if it was caused intentionally or by gross negligence, Porsche Japan is liable for such violations. This liability is limited to the typically foreseeable damage at the time of entering into the contract.
- 2.5.3. The personal liability of statutory representatives, agents and employees of Porsche Japan for damages caused by slight negligence is also limited to the extent described in the second sentence of No. 2.5.2.
- 2.5.4. The limitation of liability as set out above shall not apply to damages caused intentionally or by gross negligence, culpably caused personal injuries nor to any liability under the Japanese Product Liability Act and in case of any further mandatory liability. Furthermore, it shall not apply if and to the extent Porsche Japan has assumed a guaranty.
- 2.5.5. Customer shall take all reasonable measures necessary to avert and reduce damages.

2.6. IP Rights

Notwithstanding the foregoing, Customer is obliged to respect and not to infringe on intellectual property rights, including but not limited to copyrights, designs, trademarks and patents, (hereafter referred to as **IP rights**) of Porsche Japan, other Users and other third parties. Customer shall indemnify and hold harmless Porsche Japan from all claims that other Users or other third parties assert against Porsche Japan due to a violation of their IP rights insofar as Customer is responsible for such infringement. Customer assumes the costs of the necessary legal defense of Porsche Japan including all court and attorney fees.

Porsche Japan shall not be deemed to adopt any content relating to IP rights of third parties or other Users as its own.

2.7. Data Protection

We abide by our privacy policy which can be found at any time under <https://connect-store.porsche.com/jp/en/t/privacy>.

2.8. Use of Data

- 2.8.1. In connection with the use of the My Porsche and the use of the Marketplace, in particular by purchasing Products or Services on the Marketplace, certain data - potentially also personal data - may be collected in order to perform the respective contract for purchased Products or Services. It may for example be necessary depending on the purchased Product or Service for the provision of such Product or Service to collect the status of certain parts or to collect data on the environment and to analyze such data.
- 2.8.2. Porsche Japan may use data as indicated in No. 2.8.1 in an anonymized form for (i) the purpose of managing and improving the quality, safety, and security of Products or Services and (ii) for other commercial purposes.
- 2.8.3. For the above purposes, such data may also be transferred to other Porsche entities and other third parties that are engaged by Porsche Japan or other Porsche entities in this context and - to the extent such data is anonymized (see No. 2.8.2) - to other third parties.
- 2.8.4. The Usage of data according to this number will be in compliance with applicable data protection law. Further information can be found in the general data protection and privacy statement for My Porsche and Porsche Connect Store at <https://connect-store.porsche.com/jp/en/t/privacy>.

2.9. Applicable Law and Jurisdiction

- 2.9.1. The Tokyo District Court is the exclusive forum in the first instance for all disputes arising from contractual agreements entered into between Customer and Porsche Japan.
- 2.9.2. For all disputes arising from or in relation to this contractual agreement, Japanese law applies under the exclusion of the United Nations Convention on Contracts for the International Sale of Goods (CISG).

2.10. Final Provisions

- 2.10.1. Customer may assign the rights arising from the parties' contractual relationship to third parties only with Porsche Japan's written consent.
- 2.10.2. If a provision of these T&C is invalid, in whole or in part, the validity of the remaining provisions shall remain unaffected hereby.

3. Conditions of Sales via the Porsche Connect Store

3.1. General

- 3.1.1. On the Marketplace, Porsche Japan provides the Customers with the Porsche Connect Store (hereafter referred to as **Porsche Connect Store**) in which Porsche Japan provides (i) vehicle related and vehicle independent services (hereafter referred to as **Porsche Connect Services**) and (ii) possible further products and services (hereafter referred to as **PJKK Products**).
- 3.1.2. In addition to the foregoing provisions, this No. 3 applies for the use of the Porsche Connect Store, the booking and use of Porsche Connect Services as well as the purchase and possible use of PJKK Products by a Customer of Porsche Japan (hereafter referred to as

PJKK Customer). PJKK Customer is a Primary User, a Secondary User and a General User as defined under No. 3.2. Porsche Japan offers a selection of different services and products. For such additional conditions, such as terms of use may apply.

3.2. Primary and Secondary Users, General Users

3.2.1. **Primary User** in relation to a Connect-able vehicle (that is a Porsche with which Porsche Connect Services may be used) is the PJKK Customer who is (a) the owner, (b) the keeper of the vehicle and/or (c) a member of a user group which is explicitly permitted by Porsche Japan as Primary User (in particular lessees or employees which are provided with a company car). A Connect-able vehicle has exactly one Primary User. For a Primary User the complete scope of functions of the My Porsche, the Porsche Connect Store and the booked Porsche Connect Services is available. In particular, the booking and configuration of vehicle related and vehicle independent Porsche Connect Services and PJKK Products is possible.

3.2.2. **Secondary User** in relation to a Connect-able vehicle is a PJKK Customer, who is not a Primary User but who is authorized as Secondary User by the Primary User and who has concluded a Porsche ID-Contract. The scope of functions of the My Porsche, the Porsche Connect Store and the booked Porsche Connect Services depends on the scope of rights granted by the Primary User and/or the system to the Secondary User. In particular, the booking of vehicle related services is not possible, while their configuration is subject to the rights granted by the Primary User and the booking and configuration of vehicle independent Porsche Connect Services and PJKK Products is generally possible.

3.2.3. **General User** is a PJKK Customer who is neither Primary nor Secondary User in relation to at least one Connect-able vehicle. Porsche Connect Store with limited scope of functions is provided to a General User. In particular the booking and configuration of vehicle related Porsche Connect Services is not possible, while the booking and configuration of vehicle independent Porsche Connect Services and PJKK Products is possible.

3.3. Conclusion of Contract

3.3.1. The presentation of Porsche Connect Services and PJKK Products in the Porsche Connect Store does not constitute binding offers by Porsche Japan to enter into a sales contract, but merely invite the PJKK Customer to make a binding declaration as to whether and which goods it wants to order from Porsche Japan (*invitatio ad offerendum*). The PJKK Customer may choose Porsche Connect Services or PJKK Products from the product range in the Porsche Connect Store and collect them in a so-called shopping cart via e.g. the button "Add to Cart". Before clicking the button "Order with Obligation to Pay" (or similar), all Porsche Connect Services or PJKK Products selected by the PJKK Customer, their total price including statutory VAT in the respective applicable amount as well as duties, charges and shipping costs are again displayed in an order overview to the PJKK Customer for review. At that stage, the PJKK Customer will have the opportunity to identify and correct any incorrect entries before finally placing the binding order. Before placing the binding order, the contractual provisions including these T&C can be accessed once again and saved in reproducible form by the PJKK Customer. Via the button "Order with Obligation to Pay" (or similar), the PJKK Customer submits a binding offer for the conclusion of a sales contract on the Porsche Connect Services or PJKK Products collected in the cart. The offer can, however, only be submitted and transferred if the PJKK Customer accepts, and thereby includes in its offer, these T&C by clicking a corresponding button.

3.3.2. Porsche Japan shall confirm receipt of the PJKK Customer's order by e-mail. However, such confirmation of receipt is not yet a legally binding acceptance of the PJKK Customer's order.

3.3.3. The contract shall only become effective once Porsche Japan has accepted the PJKK Customer's offer. Porsche Japan's order acceptance can be made expressly by way of a declaration in text form, e.g. by sending a written order confirmation by e-mail, by providing the Porsche Connect Services or by Porsche Japan handing over the PJKK Products for dispatch and informing the PJKK Customer accordingly. The sales contract shall be governed exclusively by the contents of the order acceptance and these T&C. Verbal agreements or promises shall only be valid if an authorized employee of Porsche Japan has confirmed them in writing.

3.3.4. If the Porsche Connect Services ordered by the PJKK Customer cannot be delivered, e.g. because the corresponding goods are not in stock, or the Porsche Connect Services cannot be provided, Porsche Japan may refrain from accepting the order. In this case, no contract will be concluded. Porsche Japan shall inform the PJKK Customer thereof without undue delay.

3.3.5. The contract terms will be saved and stored after the contract has been concluded, but are no longer accessible to the PJKK Customer. The PJKK Customer will, however, be provided with any and all contractual provisions and these T&C (by e-mail or letter).

3.4. Booking of Porsche Connect Services

3.4.1. Individual or several Porsche Connect Services may separately be booked in the Porsche Connect Store in accordance with these T&C and possible further applicable terms of use. Insofar a provision of these T&C conflicts with the respective further terms of use, the further terms of use shall prevail.

3.4.2. Availability, description, term, prices and payment terms of the Porsche Connect Services are detailed in the Porsche Connect Store and may be specified in the further terms of use. The availability of vehicle related Porsche Connect Services depends on the equipment of the respective vehicle.

3.4.3. Vehicle related Porsche Connect Services may only be booked by a Primary User for a Connect-able vehicle for which a respective Vehicle Link exists in the My Porsche (see No. 3.4.4). They are vehicle-bound and may not be transferred to another Connect-able vehicle or be used in another Connect-able vehicle. This also applies if the Primary User of the respective Connect-able vehicle is also a Primary User of another Connect-able vehicle at the same time.

3.4.4. PJKK Customer may view on the My Porsche whether and if so which vehicles are linked with its Porsche ID-Contract (hereafter referred to as **Vehicle Link**) and for which Vehicle Link they are defined as Primary User or Secondary User. If a respective Vehicle Link is not displayed to a Primary User on the My Porsche, the Primary User may request on the My Porsche or through a Porsche Center the set-up of the respective Vehicle Link. The set-up of the respective Vehicle Link can be made subject by Porsche Japan to the provision of appropriate proof and in case of a used vehicle subject to the deletion of the relevant Vehicle Link by the previous Primary User according to No. 3.7.1 (i).

3.5. Telecommunication Service

An outline of the Telecommunication Service we provide to PJKK Customers shall be provided in the Appendix to these T&C in accordance with Japanese Telecommunication Business Act.

3.6. Sales of PJKK Products

3.6.1. Individual or several PJKK Products may be separately purchased in the Porsche Connect Store in accordance with these T&C and further terms of use. Insofar a provision of these T&C conflicts with the further terms of use, the further terms of use shall prevail.

3.6.2. Availability, description, (as the case may be) term, purchase price, payment and delivery terms of the PJKK Product are detailed in the

Porsche Connect Store and may be specified in the further terms of use.

3.6.3. Please note that the purchase of PJKK Products may be subject to other and farther-reaching conditions. Insofar this is the case, We will expressly indicate this prior to the purchase.

3.7. Sale and/or permanent transfer of the vehicle

3.7.1. In case of sale or permanent transfer of a Connect-able vehicle to a third party (hereafter referred to as **Used-Car Purchaser**) the Primary User has (i) to delete the respective Vehicle Link on the My Porsche and (ii) to inform the Used-Car Purchaser on any existing Porsche Connect Services for the respective Connect-able vehicle.

3.7.2. In case of sale or permanent transfer of a Connect-able vehicle, the Primary User - in addition to its termination rights of the Porsche ID-Contract pursuant to No. 2.2.2- may terminate all Porsche Connect Services concerning the relevant vehicle with a 2 weeks notice to the end of the calendar month. Insofar as a Porsche Connect Service is terminated before the end of its term pursuant to sentence 1, there will be no reimbursement (not even proportionally) of the respective made payment. The Used-Car Purchaser may however make use of the remaining term if it concludes a Porsche ID-Contract and books the respective Porsche Connect Service. The Primary User is free to make an arrangement with the Used-Car Purchaser with respect to a possible compensation in the amount of the remaining value of the Porsche Connect Services.

3.8. Term and Termination of the Porsche Connect Services

3.8.1. PJKK Customer (with regard to a vehicle independent service) or the Primary User (with regard to a vehicle-related service) and Porsche Japan may terminate a free of charge Porsche Connect Service without an agreed minimum term (that is a Porsche Connect Service for which no minimum term is agreed; see insofar No. 3.8.2) with a 2 weeks notice to the end of the calendar month.

3.8.2. PJKK Customer (with regard to a vehicle independent service) or the Primary User (with regard to a vehicle-related service) and Porsche Japan may terminate a fixed-term Porsche Connect Service (that is a Porsche Connect Service for which a fixed term with an automatic prolongation of such term is agreed) with a 2 weeks notice to the end of the fixed-term, if otherwise the term would be prolonged automatically. The terms of use for the respective Porsche Connect Service may govern deviating termination modalities.

3.8.3. In case of a termination of the Porsche ID-Contract pursuant to No. 2.2, the Porsche Connect Services will in any case be provided to the PJKK Customer subject to the respective applicable numbers of these T&C until the end of the respective term or their termination pursuant to No. 3.8.1 to 3.8.2.

3.8.4. The termination pursuant to No. 3.7.2 as well as No. 3.8.1 to 3.8.2 may be made in writing, via email or via the Porsche Connect Store via the function "*Terminate Automatic Prolongation*".

3.8.5. Porsche Connect Services are subject to the statutory cooling-off period. Within eight (8) days after PJKK Customer receives notification from Porsche Japan stating that Porsche Japan accepted an order from PJKK Customer, PJKK Customer may cancel Porsche Connect Services by a written request. For further details, please contact our customer service specified in No. 3.13.

3.8.6. A right of termination for cause remains unaffected by the aforementioned provisions.

3.9. Rights in case of the non-conformity of performance

The statutory provisions regarding PJKK Customer's rights in case of the non-conformity of performance apply.

3.10. Porsche Japan's Liability for Sales via the Porsche Connect Store

3.10.1. In case of violations of these T&C, only if it was caused intentionally or by gross negligence, Porsche Japan is liable for such violations. This liability is limited to the typically foreseeable damage at the time of entering into the contract.

3.10.2. The personal liability of statutory representatives, agents and employees of Porsche Japan for damages caused by slight negligence is also limited to the extent described in the second sentence of No. 3.10.1.

3.10.3. The limitation of liability as set out above shall not apply to culpably caused personal injuries nor to any liability under the Japanese Product Liability Act and in case of any further mandatory liability. Furthermore, it shall not apply if and to the extent Porsche Japan has assumed a guaranty.

3.10.4. PJKK Customer shall take all reasonable measures necessary to avert and reduce damages.

3.11. Data protection

PJKK Customer is obliged to inform drivers of a vehicle for which a Vehicle Link exists on the privacy policy of Porsche Japan and the possibility of the collection of their personal data during the use of Porsche Connect Services.

Further information can be found in the privacy policy under <https://connect-store.porsche.com/jp/en/t/privacy>.

3.12. Use of Data

3.12.1. In connection with the use of the Porsche Connect Store, in particular by purchasing Porsche Connect Services, certain data - potentially also personal data - may be collected in order to perform the respective contract for purchased Porsche Connect Services. It may for example be necessary depending on the purchased Porsche Connect Services for the provision of such service to collect the status of certain parts or to collect data on the environment and to analyze such data.

3.12.2. Porsche Japan may use data as indicated in No. 3.12.1 in an anonymized form for (i) the purpose of managing and improving the quality, safety, and security of Porsche Connect Services and/or PJKK Products (including Porsche vehicles) and (ii) for other commercial purposes.

3.12.3. For the above purposes, such data may also be transferred to other Porsche entities and other third parties that are engaged by Porsche Japan or other Porsche entities in this context and - to the extent such data is anonymized (see No. 2.8.2) - to other third parties.

3.12.4. The usage of data according to this number will be in compliance with applicable data protection law. Further information can be found in the general data protection and privacy statement for My Porsche and Porsche Connect Store at <https://connect-store.porsche.com/jp/en/t/privacy>.
